Family Photo Packages

Snapshot

\$75-200

This is the baseline product that includes two picture discs along with 2 8x10's of your choice, 12 4x6's, and 3 5x7's. With the picture disc, you have the control after your shoot to do what you want with your pictures.

Editorial

\$200-300

This product will get you all that the *Snapshot* has to offer plus a book published for something to share with others. We use Blurb, a printer that makes your pictures bookshelf and coffee table ready to show off.

Headline Coverage

\$350-

For any large event covering an organization that may require a full day's worth of work, we suggest you give us a call. Prices vary based on photographers needed to cover the event and behind the scenes work as well. Once you share the details of your event, we stick to our quote.

Prices are subject to conditions of the job. Travel expenses may be added on but not without prior notice. All jobs are to be quoted individually, however, the above serves as our guidelines.
